

JUDGE'S DATABASE 2011 >

Updated 4 January 2011

WHO HAS JUDGED IN NZ - WHAT, WHERE, WHEN?

E & OE

For Shows from January 2011

The info in this database has been collated from NZ Kennel Gazette schedules. 100% accuracy cannot be guaranteed!

Last minute changes of a judge, post-schedule publication, along with data input error (human error) is quite possible.

I will be pleased to receive any necessary amendments.

Database will be updated with each Gazette publication

For amendments or additions:

Qualifications of the Aust / NZ judges, where entered, will be current to 31/08/2008. Check NZKC or ANKC websites for updates.

NOTE: Where a judge has yet to officiate from January 2011 forward, date only of last appointment prior will be entered. Refer Judges' Database 2007-10 for details of appointments
